SOLD Every room of this gorgeous home will make you say "wow". Drees Homes pulled out all the stops when designing this stunning home. You'll find beautiful and practical built-ins, paneled accent walls, double-crown mouldings, beamed ceilings, accent ceilings, upgraded light fixtures, and so much more.

A 2-story foyer welcomes you into the home and allows views into the family room and large formal dining area. The floor plan is perfect for entertaining, with perfect flow, a fun wine room, and the stunning kitchen located just next to the spacious family room. Work from home in the private study with beautiful millwork and built-in shelving.
